

# A LETTER TO *our members*

Dear Loyalty Plan members,

It too often seems that as members of the working class family with extremely busy lives, dental insurance may not be a feasible option. As a matter of fact, we may never visit a dentist unless there is an excruciating toothache! That is why now, it is our goal, at Great Southwest Family Dental to provide quality and affordable dental services to all.

Due to the cost involved, more and more people are postponing necessary routine checkups. Treatment, that if not sought, can lead to more serious and expensive illnesses. This is why we have established a practical, realistic approach to dental care. We are confident that after you review our membership plans, you will agree that dentistry is finally affordable and at your disposal.

Please feel free to contact our office with any questions or concerns you and your family might have.

Our staff is very excited about our Loyalty Plan. We are looking forward to having you and your family as patients of ours.

Sincerely,

*Dr. Chris Truong*
